1 In order to promote school community interaction relating to the policy and operation of the schools, the Board
2 will:

- 3
- 4 1. Strive to keep citizens of the school system regularly informed about all policies, problems, and
5 planning through channels of communication, its own efforts, and the office of the director of schools;
- 6 2. Direct all school employees, including teachers, administrators, and support service personnel, to
7 participate in good school community interaction by:
- 8
- 9 • Transmitting pertinent and correct information to citizens upon request or upon initiative of
 - 10 school employees;
 - 11 • Seeking ways to improve school community relations;
- 12
- 13 3. Recognize the right of news media to inquire, research, and report to the public information about local
14 schools.

15

16 The principal of each school shall be responsible for the development of a public relations program and shall
17 promote programs which involve parents and the community with the school.

18

19 The director of schools shall be responsible for leadership in school community relations. Through the use of his
20 staff, he/she will promote a program to best coordinate the involvement of the schools and community.
