1 Non-resident students shall not be accepted for enrollment in the Wilson County School System except in the  
2 following situations:

- 3
- 4 1. Students have a parent or guardian who is a full time teacher, professional or other employee of the  
5 Wilson County Schools.
- 6 2. Tuition and fees may be charged by Wilson County to pupils not residing in the county, provided that  
7 the parents/guardians are preparing to become residents and can furnish documentation of property,  
8 construction information or other proof that residence will occur within a 60 day period. Once residency  
9 is established any prepaid tuition beyond the residency waiting period may be refunded.
- 10 3. A parent or guardian who wants to appeal this rule must exhaust administrative remedies through the  
11 director of schools and attendance director, but, may after this appeal is denied, present their appeal to  
12 the Board.
- 13 4. Students whose legal residence changes to an out of district area shall immediately be withdrawn  
14 unless specific transition arrangements are made through the office of the principal and in coordination  
15 with the system's attendance director.
