

July 2009

Dear Parents and Students,

Welcome to school! As we look forward to the 2009-10 school year, we want to provide you with some information about the cafeteria.

- **Menu-** The menu is sent home each month and/or posted on the school web-site @ www.wcschools.com, under Food Service. Nutritional Analyses are also posted on the website for your convenience. For information concerning the menu, please contact the cafeteria manager or call Chris Pesce @ 453-7363.
- **Meal Money-** Each student has an account with the cafeteria and payments can be made daily, weekly, monthly, or longer. Payments that are made in advance are credited to the child's account and the amount of each meal is then deducted. When a student transfers to another school within the county, the account balance will be transferred. If there is a remaining balance on an account when a student leaves Wilson County Schools, the parent must send a written request for this refund. A refund is only available for students leaving Wilson County Schools.
- **Parent on Line-** Please see the attached flyer for information on how to prepay money on your child's account using your debit or credit card. You can also view account balances and student purchase history through your home computer. You can set account minimums and you will be notified via email when your child's account drops below a certain level. Visit www.parentonline.net for more information.
- **No Charge Policy-** Wilson County Schools has a No Charge Policy. The student must have money for the **entire** meal. We will do our best to notify parents when accounts are low, but it is the parent's responsibility to ensure that their child has money for their meal.
- **Free & Reduced-** Applications will be sent home with each student at the beginning of the year. This year we will introduce our new on-line application capabilities. Go to www.wcschools.com and click on the link for on-line applications. To apply for free or reduced meals, fill out one form per family. For questions, please contact Janice Stone @ 453-7333.

Thank You,
Melody Turner
Food Service Director
