Fall Fundraiser!

We are currently in the middle of our fall fund raising campaign with QSP and their brochure and magazine sales. We appreciate your help in raising money for the school. Our emphasis this year will be to help put LCD projectors in the classrooms for teachers to use the most up-to-date technology available to enhance their curriculum.

We also want to have these projectors ceiling mounted in order to best protect our investment. Each classroom will most likely cost from \$800—\$1000 to get the projector and install it. Thanks for your help!

Upcoming Events!

Parent Teacher Conferences are September 17 from 12:00 p.m. —7:00 p.m. Remember, students do not come that day. If you have not set up an appointment with one of the elementary teachers, you will need to do so. If you have a middle school child, you are free to visit with any of his/her teachers. For the middle school there will not be a set schedule of times.

Teachers will be at lunch from 3:30—4:00 so please plan around that time. We hope to see you all during that time. If you are unable to attend, your child's teacher will be glad to schedule a later time.

Our October Intercession and Break is just around the corner. Students will be in school until Friday, October 2nd and return on Monday, October 19.

While we are out, please encourage your child to not only read daily, but also keep up with his/her basic math skills. Flash cards, card games, and reading together often make the more mundane things fun for your kids.

Since our standards have risen this year, more is expected of our kids and we need to keep them moving in the right direction, even on break!

Special Election to fund a new LHS—

On Thursday October 1st an election will be held in Wilson County for the purpose of voting for or against a wheel tax of \$25.00 to fund the building of a new Lebanon High School and to acquire property for a new Wa-

tertown High School. Early voting will be available starting September 11th. To learn more about the reason behind this referendum we encourage you to visit the web site www.onecountyonefuture.com

Our school is an election web site and early voting is going on now. Please get out and vote your feelings. If you have questions, feel free to contact our school board representative, Greg Lasater.

Parents Right to Know:

The No Child Left Behind Act (NCLB) of 2001 has strong provisions that support parents' right-to-know. Parents have the right to request information regarding professional qualifications of their child's teachers and paraprofessionals providing support. At any time you are welcome to contact us regarding this. 100% of the teachers at Tuckers Crossroads School are highly qualified. 67% of the paraprofessionals are also highly qualified, and 100% of the Title 1 paraprofessionals are highly qualified.
