

Award-Winning Blue Prints Yearbook Announces 2010 Sale

Dear Parent or Guardian:

To celebrate the 2010 yearbook theme, **Picture This**, the yearbook staff at Wilson Central High School offers parents an exceptional yearbook at an exceptional price. Also, we have added a **very special feature this year** to go along with our theme. We want a copy of a favorite "Kodak Moment" of your child. This can be a serious or funny photo (at any age). These pictures will be placed in a special section in the book. **Anyone who purchases a book by October 30, 2009** (either online or at school) and sends a picture will be in the special section. Pictures can be print or digital. If digital, make sure you send the file in a jpeg format with at least a 225 ppi resolution. These can be emailed to bozsokid@wcschools.com. Make sure you put **YEARBOOK KODAK MOMENT** on the subject line. We have filters in place, and we want to make sure we get the picture. You will receive a reply that we have successfully received the print if sent electronically. If you send a print and want the picture returned, please include a self-addressed stamped envelope.

This is also a great Christmas gift idea that will give your child a lifetime of memories! The *Blue Prints* yearbook offers a FULL COLOR 320 page publication. This book includes every activity taking place at Wilson Central High School for the entire year. Seven out of eight books have won a National Gallery of Excellence award from Walsworth Publishing, placing our book in the top 1% in the nation. The same high standards and expectations of the first eight books remain the same for Volume 9.

The staff has been working since last spring, before school began, and our number ONE priority remains to include every single student in our school in this book. Our mission goes beyond the usual "mug" shot in the class division section.

The price is \$60 here at school (if you order online by credit card or check, the publisher offers different packages and options). You can order online by going to our website at www.wcschools.com/wch or www.foreveryearbook.com, or use the order form and return to WCHS by mail or with your child by **October 30, 2009 to get the extra special Kodak Moment of your child in the book**. We will receipt all orders done here at school (online sales will provide a receipt, too). The price goes up to \$65.00 after Christmas, so get your order in early. If you have any questions, please call the *Blue Prints* office at 453-4600, ext. 3040.

Cut on this line and return the completed form with payment either in the enclosed envelope, or send it with your child to school and drop off in Rm. S103.

PLEASE FILL OUT COMPLETELY AND LEGIBLY
