

What is a School-Parent Compact?

- “Compact” is another word for “contract” or “agreement.” The *Carroll Oakland School-Parent Compact* is an agreement between parents, students and the school (administration, teachers, and staff.)
- The purpose of the School-Parent Compact is to foster student achievement. By signing the **School-Parent Compact**, Carroll Oakland teachers agree to work together to share the responsibility of helping students meet or exceed state, district, and school academic goals.

Jointly Developed

Carroll Oakland administration, teachers, parents, students and community members contributed to the development of this compact.

Parents and community representatives were present at a meeting to offer their ideas and suggestions to the writing of this compact. Students were surveyed and those results were also used in the creation of this compact. Everyone provided valuable feedback that was compiled to create this document..
