Good afternoon, Parents,

We have had a busy week so far with math testing (science is tomorrow!), a theater walk-through on the main campus, ball games galore, and lots of other moments. Today, we had our last Warm Wednesday, and teachers and staff were treated to breads and jams from Granny Kim's Breads and Things. Next week is Teacher Appreciation Week, and I'm very thankful for all those who have donated to the PTO (there is still time - see link below!). Next week is the perfect time to send a note of appreciation to any faculty and staff members who have positively impacted your child this year. Nothing can replace sincere words of thanks!

Below are a few updates:

Teacher Appreciation: MJMS PTO wants to shower our teachers and staff with appreciation for Teacher Appreciation Week May 1-5. We are seeking donations from parents and the community through Cheddar Up. This is the last week to donate! <https://my.cheddarup.com/c/mjms-teacher-appreciation?cart=9b50e9cc-41b7-453c-8dec-ec0fd8e86419%21%2150849732> . Thank you for your support!

Dear Parents/Guardians,

The Tennessee Department of Health (TDOH) has issued immunization requirements for those students entering 7th GRADE.

The following is required for your child to enter 7th GRADE:

___ Tetanus-Diphtheria-Pertussis booster (Tdap)

Due to this being a statewide requirement, parents often have difficulty obtaining the required immunizations for their children. Because of this, you are strongly encouraged to make an appointment and get your child vaccinated as soon as possible.

Documentation of the above immunization must be submitted on the Tennessee Certificate of Immunization to the school nurse before your child enters seventh grade. Therefore, as soon as your child receives the necessary immunization(s), please turn the required documentation into the School Health Office to prevent any delays of your child entering the 7th grade. Wilson County Schools will also honor any religious or medical exemption pursuant to T.C.A. § 49-6-5001.

Thank you for your prompt attention to this matter. If you have any questions about the immunization requirements, please contact your school nurse.

Thank you,

Wilson County School Nurses
