12/09/2020

Mt. Juliet Middle School Families,

Effective Monday, 12/14/2020, MJMS school will transition to REMOTE LEARNING from December 14-18, 2020, with the intention for students to return in-person hybrid learning on January 5, 2021. The reason for this one-week change in learning is due to an increasing number of students and staff affected by COVID-19 and out of the utmost concern for keeping our school community healthy.

During this time, Kids Club will also be open. Food service information will be sent out from the district for those who will need assistance.

Your child’s teacher will be emailing you with reminders and details from MJMS’s REMOTE LEARNING Plan. We are respectfully requesting that you allow your child’s teachers the necessary preparation time to get this email out to you. If you have not heard from them by Monday, 12/14, at noon, please contact Candis Angle at anglec@wcschools.com.

MJMS’s REMOTE LEARNING Plan stipulates that synchronous (live, whole group) instruction will occur on Tuesdays and Thursdays and asynchronous instruction will occur on Mondays, Wednesdays, and Fridays. Synchronous lessons will be recorded by teachers and posted for your convenience. Asynchronous is independent, self-paced school work assigned by the teacher. Students may also be asked by their teacher(s) to participate in small group and/ or one-on-one sessions on asynchronous days.

All students will complete ASYNCHRONOUS assignments on Monday as teachers work to get materials organized for pickup. This lesson was posted with last week’s plans, so everyone should already know what to do Monday. Asynchronous assignments for Wednesday and Friday will be posted in Thrivist by Monday afternoon at 4:00 p.m. Families who need to pick up learning packets due to lack of internet may do so Monday between 2:00 - 4:00. These packets can be returned Friday afternoon, 12/18, before 4:00 p.m. or the week of December 28, from 8:30 - 3:30. The office will be closed the week of Christmas.

For families that may be struggling with reliable access to the internet, please know that the MJMS parking lot has been made available as a hotspot for additional support during this time. The side parking lot across from the gym that runs along Woodridge is our designated hotspot access. There is also a hotspot at Green Hill High School, if that is more convenient.

We understand that this is a very difficult time for everyone and we appreciate all of the flexibility extended during implementation of REMOTE Learning. Please let your child’s teacher know about individual needs or concerns. We will continue to give you updates as information becomes available. We are in this together!

Sincerely,

Candis V. Angle
Principal, MJMS
