

ROOM PARENTS

**Committee Chair: Sandy Krueger (Sophia & Grace, Mrs. Kelley's 3rd grade class)
Contact Sandy at Sandra_krgr@yahoo.com**

First Meeting: Monday, September 24

Each class/teacher will have a volunteer room parent. There will also be a room parent designated for the support classes (STEM, Art, Music, Gym, library).
The teacher will email the parents in her class to let them know who the room parent is.
IE: Christine Robinson is the room parent for 3rd grade Kelley.

The room parent will be assigned to organize help/helpers for the teacher. The teacher will assign what jobs need to be done (making copies, going over sight words, gathering supplies such as paper towel rolls or water bottles)
IE: Mrs. Kelley will let Christine know what she needs during a particular week. And the jobs may change depending on the week.

The room parent will then reach out to other parents in the class to organize who can help on which days. The room parent will make sure to remind parents of their volunteer commitments.
IE: Christine Robinson would email parents: "...we need someone to bring in glue sticks. We need someone to make copies. We need someone to file papers. We need someone to cut out laminated items "
Christine Robinson would then organize the volunteers, and let Mrs. Kelley know who to expect and when. She would organize a system where one volunteer comes in once a week.

Room Parents will be first come, first serve.

The Room Parent Coordinator (Sandy Kreuger) will organize this project.
