

## November Fundraiser: Shop Springdale

Saturday, November 3

This event will be 3 tiers for raising money

### A. Vendor Booths

1. Sellers can buy booths for \$50 to sale their wares. They keep whatever money they make from sales. The PTO keeps the money from the booth "rentals". Sellers have the option to only pay \$35 for the booth, if they donate an item to the auction.
2. Vendors nailed down so far: 'Nothing Bundt Cakes', 'Matilda Jane', 'Rodan and Fields'
3. Jennifer Sherrill is in charge of this portion

### B. Auction

1. Each grade will have a "project". Each class will put together their own. The PTO will handle figuring out the projects and getting parents involved in helping get them put together.
2. We have procured an American Girl Doll (thanks, Wendee Clarke!)
3. Anyone willing to procure other items from local Sports teams, Gift Certificates, etc. is more than welcome.
4. Crystal Blaylock is in charge of this portion

### C. Kids Rooms

1. While parents shop in the cafeteria, they will have the option to sign their children up for some activities within the school.
2. Teachers will be asked to "host" an event. Each room will have a different activity. For example, a movie room, an arts and crafts room, a computer games room, and a Stem room. The teachers will determine which activity will be done. Teachers who agree to host an event will receive 80% of the proceeds.
3. Costs have not been established, nor have "blocks of time" for each room.
4. Karen Brown is in charge of this portion
